## Tech Tip

### Access the mobile enabled Knowledgebase site

#### Question

Is there a knowledgebase site (URL) for mobile enabled devices?

#### Answer

Yes!

Our entire Support Center site is now fully mobile smartphone enabled! Simply point your smartphone\* to the normal Rockwell Automation Support Centre URL: <http://rockwellautomation.custhelp.com/>

\* Supported smartphones include the iPhone, Android-based phones and Windows 7 Mobile. Blackberry support includes the latest Blackberry smartphones only. Older smartphones may or may not work fully.
